Hilarious Horton's Hardy Har Hars!

Here are some jokes for elephant and Who lovers everywhere.

Why does the Mayor of Whoville ride an elephant instead of a bike?

Because the elephant comes with a trunk!

How do you stop a charging elephant?

Take away his credit card!

What is Horton's favorite sport?

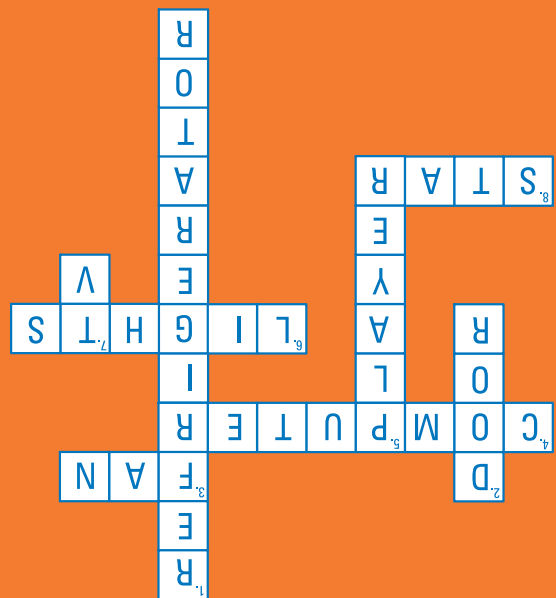

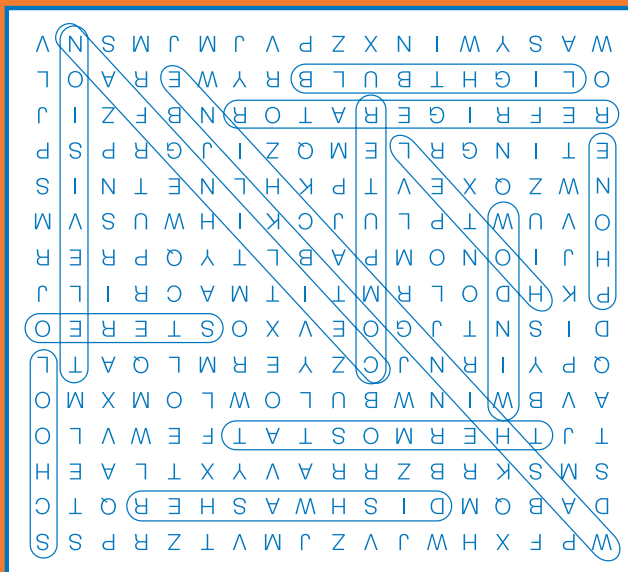

Squash!

Here are some tips for Earth lovers everywhere.

You can help save energy everyday. Start in your home. Use energy only when you need it. Turn off lights, TVs, and stereos when you are not using them. Set your computer to "go to sleep" when you are away. Doing these easy things each day adds up and can really help our environment!

ANSWER KEY

Make a Difference Every Day!

We only have one Earth. That's why it's important for everyone to pitch in and help make our world clean and beautiful. Here are some ways for you to help make a difference. Add your own ideas too!

1. Recycle paper, plastic, glass and cans.
2. Don't leave water running when you brush your teeth.
3. Turn off lights, the TV, and other electronics when you're done with them.
4. Ride a bike instead of taking a car or bus.
5. Pick up litter.
6. Use products with the ENERGY STAR label.
7. Use both sides of a piece of paper before throwing it away.
8. Don't leave doors to the outside open for longer than necessary.
9. Talk to your friends and family about saving energy.
10. _____

EXTRA

Make a pressed flower and leaf book. Collect flowers and leaves and put them in a heavy book. When they are dry, tape them into a notebook and see if you can find out the names of the plants.

More ways to help with ENERGY STAR

At www.energystar.gov you can learn more about ENERGY STAR and other ways you can help protect the environment. Don't keep it a secret- share these ideas with your family and friends.
